# Queen of Carrot Pictures?

**[object Object]** @zeigenvector · Apr 30

I got five pounds of carrots from a restaurant supplier. It's four carrots.

# Autocomplete!

Doing a lot of  
stuff in an  
unbelievably  
short amount of  
time!

# #1 Top Rule!

Do less stuff!

LOL!

# #2 Top Rule!

Measure  
first,  
act second

# #3 Top Rule!

"Stash" the  
answers to  
expensive and  
re-used things

Corollary: don't do expensive  
things in sort comparators!

# #4 Top Rule!

Memory usage  
is also an  
important aspect  
of performance

# #5 Top Rule!

Ultimately,  
performance  
is about  
user experience

# Thanks!
